(Deemed to be University)

Admission to **M.D./M.S. Degree Courses** (Academic year 2020-21)

Information Bulletin

Information bulletin for candidates who intent to apply / have applied for online Medical Common Counseling being conducted by Medical Counseling Committee (MCC) of Directorate General of Health Services (DGHS), New Delhi for Admission to M.D./M.S. Degree Courses offered in Chettinad Hospital and Research Institute (CHRI), a constituent college of Chettinad Academy of Research and Education (Deemed to be University u/s.3 of the UGC Act, 1956) for the academic year 2020-21.

I. CARE @ GLANCE

COLLEGES - 2 / SCHOOLS - 4 / PROGRAMMES - 74

- Chettinad Hospital & Research Institute
- Chettinad College of Nursing
- Chettinad School of Law
- Chettinad School of Architecture
- Chettinad School of Pharmaceutical Sciences
- Chettinad School of Physiotherapy

STRENGTH

- Students - 2599
- Male - 38% | Female - 62%
- Employees - 1297

ACCREDITATION / RECOGNITION

- Deemed to be University by GOI, MHRD
- Accredited with grade "A" by NAAC
- Approved 12B status by UGC
- Accorded SIRO status by DSIR
- Awarded star by MHRD's Innovation Cell, GOI
- Awarded by AICTE for Clean & Smart Campus
- Ranked 9th in the Country by UI Green Metric
- Awarded Diamond rating by QS I-Gauge

STUDENT SUPPORT

- 100 % Scholarship for eligible candidates
- Career counselling and placement guidance
- Industry - Institute collaboration
- Facilitating undergraduate & interdisciplinary research
- Value added / capsule programmes
- Mentorship support

RESEARCH

- Publications - 1100 +
- Patents published - 35 +
- MoU - 50+

II. About Chettinad Hospital and Research Institute (CHRI)

Chettinad Hospital and Research Institute is a constituent college of Chettinad Academy of Research and Education and caters to the health needs of the surrounding villages both in diagnostics, preventive and curative services. CHRI is situated in a sprawling campus away from the hustle and bustle of the city in sylvan surroundings. CHRI offers a conducive environment for learning. Student centered state-of-the-art facilities, sophisticated infrastructure, libraries with the latest medical journals, and futuristic learning methodology systems benefit the learning process of the students.

Teaching programmes offered by Chettinad Hospital and Research Institute are guided by the respective statutory councils and the methodology of teaching is reviewed periodically by the Board of Studies / Academic Council and are updated to keep abreast with the latest advancements.

State-of-the-art equipments and cutting edge technology are being provided for the treatment of patients visiting the teaching hospital. An eco-friendly campus along with optimal use of information technology is ideally suited for academic pursuits and greatly augments teaching learning activities.

Regular continuing education programmes and faculty development programs contribute immensely to update the knowledge and improve the teaching skills.

III. Salient Features of PG Courses

- All PG course seats are recognized / permitted by the Ministry of Health & Family Welfare and Medical Council of India.
- State-of the-art infrastructure consisting of 1180 bedded Hospital, 13 OPD 45 Wards for male & female / 16 OT / 7 ICU as per statutory requirements.
- Well stocked departmental Library with latest editions of books and journals.
- Wide range of digital database.
- Inter library loan facility.
- Qualified, experienced and reputed faculty members.
- Bedside clinical teaching.
- Good success rate in various complicated surgical cases.
- Exposure to advanced technologies including Robotic procedures.
- Compulsory Journal Club / Seminar / Case presentation / Internal assessment.
- Opportunity to organize / participate in state, national & international level conferences and workshops.
- Research methodology classes and exposure to active collaborative research.
- Stint in Community Outreach Hospitals and programs.
- Exposure to Corporate hospitals and advanced technologies through Academic MoU's.
- Exposure to training at Govt. Hospital/College for rare cases, fields and procedures.
- World class residential and recreational facilities.
- Immediate placement in various government and private institutes & leading multispecialty hospitals across the globe.
- Fellowship programs in various clinical departments.
- Opportunities to be a part of outsourced expert consultation services.

Anesthesiology

- State of the art operation theatres.
- Hands on training on all anesthetic procedures
- ICU care and management
- Expertise in emergency services

Dermatology, Venerology and Leprosy

- Equipped with 60 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Completed 6 batches of PG with 100% pass percentage
- Two week Leprosy classes mingled with CLTRI
- Facilities and training for Cosmetological procedures - Hair Transplant, Chemical Peeling, Cryotherapy & Laser etc.,

General Medicine

- Equipped with 240 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Critical care unit & zero delay wards for extensive training
- Specialty clinics : Diabetics, hypertension, rheumatology, endocrinology, Super specialty departments : Neurology, Nephrology, Cardiology, Radiology

General Surgery

- Equipped with 240 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Senior professors each with surgical experience of 30 years and PG teaching experience of 25 years and above.
- Exposure to all major open elective and emergency procedures
- Laparoscopic procedures are done routinely with good results.

Obstetrics and Gynecology

- Equipped with 150 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Firsthand experience in managing both normal and complicated high risk pregnancies, ectopic pregnancy and other medical disorders affecting pregnancy.
- In gynaecology - hands on training in managing patients with common conditions like fibroids, abnormal bleeding, infertility and infections.
- Exposure to gynaec-oncologic surgeries such as staging laparotomy, radical hysterectomy and laparoscopy.
- Dr. Muthulakshmi Reddy Maternity Benefit Scheme for conducting free delivery to pregnant mothers.

Ophthalmology

- Equipped with 60 beds for both male & female patients, with sophisticated investigations and imaging facilities
- Sub specialties offered for PG in ophthalmology
 - Cornea
 - Retina
 - Neuro ophthalmology
 - Oculoplasty
 - Glaucoma
 - Comprehensive ophthalmology
- State-of-the-art operation theatre exclusively for ophthalmology with high end microscopes, phaco, biomes for performing surgeries under local and general anesthesia.
- OPD equipped with lasers and high end diagnostic tools to facilitate latest training and clinical exposure to learn, practice and perform.
- Camps through DBCS for post graduates to train them in community ophthalmology.
- Fellowship programs with reputed of Ophthalmology Institutions.

Orthopedics

- Equipped with 150 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Critical care unit & zero delay ward for extensive training
- Specialty clinics
- Exposure to all major open elective and emergency procedures
- Thesis guidance by specific mentor guided by HOD

Otorhinolaryngology

- Equipped with 40 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Department infrastructure includes Karl storz High definition endoscopy unit separate for operation theater and outpatient departments, Carl Zeiss operating microscope/ Medtronic micro debrider system, temporal bone dissection table with microscope, serwell OPD otomicroscope, fully equipped audiology and speech therapy clinic.
- With surgical specialists we diagnose, evaluate and manage a wide range of diseases of the head and neck, including the ear, nose and throat regions
- Focusses mainly on Special neonatal hearing screening programs

Paediatrics

- Equipped with 120 beds which includes general wards, emergency, NICU and PICU with sophisticated investigations and imaging facilities.
- Eminent professors and well trained faculty in general paediatrics, Neonatology and Paediatric critical care.
- Our PICU is a level -III 15 bedded facility with state of the art full fledged multi modal monitoring including ECHO, EEG, ICP monitoring, mechanical ventilation (invasive and non invasive), CRRT and bronchoscope facilities.
- Our NICU is a level 3 facility and has all state of the art facilities which includes Neonatal Invasive & Non-Invasive Ventilation, High frequency ventilation, Nitric Oxide therapy, Care of Extremely Low Birth Weight Infants, Post general & cardiac surgical care of newborns, Therapeutic hypothermia, point of care ultrasound, neonatal transport, follow up of NICU Growth and Developmental Support Programs & community based neonatal care.

Psychiatry

- Equipped with 30 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Experienced psychiatrists trained from various Centres of excellence like NIM HANS, Bengaluru, IMH, Chennai and KGMC, Lucknow.
- Encourages and guides postgraduates in collaborative research and publications.
- Collaboration with Institute of Child Health and Institute of Mental Health, Chennai

Radio-Diagnosis

- Sub specialities in Radiology namely non vascular radiological interventions, male infertility imaging, female imaging, transplant imaging are being offered for patients as well as for training post graduate and undergraduate students.
- The department is equipped with all state of art equipments like 1.5T GE MRI, 128 slice PHILIPS CT scanner, ultrasound machines equipped with elastography and Doppler.
- Faculty trained from Christian Medical College, Vellore, Madras Medical College, SRMC, Chennai and at centres with advanced imaging techniques. Some of the faculty members are certified by International Radiology Boards like European board and Royal College of Radiology.
- Our team also constitutes expert faculty Dr. N.R. Jagannathan from AIIMS
- Teaching sessions for post graduates are conducted on daily basis and students are assessed on periodic intervals
- Multiple research articles are being published regularly and all post graduates, faculty members have ongoing research projects
- Renowned international conferences are attended actively with paper presentations by our faculties to update the department with the upcoming trends in Radiology.
- Offers outsourced expert opinion and consultation services.

Respiratory Medicine

- Equipped with 60 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- Sincere and committed Faculty with a combination of well experienced senior faculty and energetic and enthusiastic junior faculty.
- Well structured P.G academic training programs and Hands on training in advanced technologies including videobronchoscopy, sleep lab, advanced pulmonary function testing with advanced critical care management and R.I.C.U
- Facilities for advanced research like molecular and genomic research laboratories.
- All PGs have got placements in well renowned institutions and Hospitals.
- Postgraduates are posted to centers of excellence both in private and government to update knowledge and skills.

Sports Medicine

- Equipped with 30 beds for both male & female patients, with sophisticated investigations and imaging facilities.
- The department is established in the year 2015 with out-patient and in-patient care.
- It comprises of state-of-the-art sports science lab, exercise physiology lab, kinanthropometry lab, biomechanics and gait lab.
- Specialty clinics: sports injury clinic, arthroscopic clinic and obesity clinic.
- Has a well built indoor stadium, football ground, Athletic turf track as per international standards.
- The department caters medical emergencies and the needs of NSG & TNPA

Anatomy

- Well equipped PG research lab to carry out histological, histochemical, immuno histochemical, anthropometric studies.
- Spacious dissection hall which is well stocked with teaching and learning materials.
- The department library is stocked with latest editions of national and international books and journals.
- A total of 57 research papers have been published in the reputed journals from the department since 2010.
- 153 papers have been presented by the undergraduate and post graduate students since its inception.
- 72 best paper awards won by the students in oral, poster presentations and best dissertation awards by undergraduates.
- The departmental museum is equipped with 500 specimens exhibited under various categories including cross sectional anatomy.

Biochemistry

- Clinical Biochemistry lab is NABL accredited laboratory since 2006 with fully equipped state of art automated facilities for routine chemistry, hormones, vitamins and tumor markers assay.
- Students will be trained in Quality control requirements as per ISO 15189:2012
- Special care taken to train students in carrying out instrumentation, clinical lab investigations and interpretation of laboratory data.
- Students undertake individual projects under the guidance of faculty which is presented at various national and regional conferences.

- The department supports students aspiring in bringing extramural research funds from Indian Council of Medical Research to get research experience.
- Well equipped post graduate lab to carry out research in molecular field
- The department also conducts hands on training programme to help students from other Institutions for research training.
- Departmental research projects are going on with ICMR funding with abundant clinical material available in the institute
- Department has organized various CME and Guest lectures by professors from various reputed institutions through out Tamilnadu
- Periodical out reach activities were conducted by the department on nutritional awareness in primary schools involving the post graduate students under the supervision of well trained faculties.

Community Medicine

- The department of Community Medicine at CHRI has over 100 publications and over 25 on-going research projects by Faculty and Postgraduates to its credit.
- Basic Research Methodology Workshops are conducted every year for 1st year postgraduates from all specialties to help in formulation and conduction of their thesis as well as other research projects.
- Family visits / surveys are regularly conducted in Rural & Urban Center areas. Vulnerable groups are identified and given necessary health education and medical support.
- Regular community health status monitoring - Outbreak identification, investigation and reporting.
- Free medical camps are conducted at various villages in the college field practice areas.
- Training activities outside the institute include: Infectious Disease Hospital-Tondaipet, Central Leprosy Training And Research Institute-Chengalpettu, TB Sanatorium -Tambaram, Industrial Visits-For Occupation Health Training, JIPMER-Research Methodology Training, visits to Water Treatment Plant, Sewage Treatment Plant, And Milk Processing Units.
- Urban and rural health centers functioning 24x7 with various broad specialities serving around 1,20,000 and 40,000 population respectively.

Microbiology

- Adequate clinical material for training.
- Well-equipped 24-hour diagnostic clinical laboratory with NABL Accreditation for Microbiology & Serology.
- Commencement of MD Microbiology course in 2011 and successful seat enhancement in 2013.
- Opportunities for interdisciplinary research including molecular microbiology, backed by the central research facility with the state of the art equipment.
- Encouragement for participation in conferences, workshops both in-house or in other institutes and thereby providing the opportunity to update their knowledge and to present and publish research papers.
- Well stocked department library with recent editions of the text books, reference books, e-books and journals

Pharmacology

- The Department of Pharmacology is equipped with highly efficient teachers, good infrastructure and facilities to teach medical, dental, nursing and paramedical courses and encourage research by students and faculty.
- Offers courses catering to different medical (MBBS, BDS, Nursing) and paramedical UG programs (B.Sc AHS)
- Conducts PG programs – PhD in Pharmacology, MD Pharmacology and M.Sc in Clinical Research and Experimental Medicine since 2008 taking into consideration the demand for qualified personnel in this field.
- The department has a well equipped animal house recognized by CPCSEA and an experienced veterinary medical officer who facilitates research projects using animals for all faculty and students
- The students have access to use HPLC, LCMS and other analytical instruments
- Those who completed MD Pharmacology are successfully placed in teaching medical institutions and industries. Two of the MD graduates are entrepreneurs having their own Clinical Research Organization.
- All the students who completed M.Sc CR & EM are employed in CROs, hospitals and other organizations.
- Five faculty have completed Ph.D from the department from 2009 to 2018.

- The students and faculty have completed more than 100 research projects and published more than 60 research papers after the inception of the department in 2006.
- Developed a documentary for taking informed consent from the potential research participants to train the post graduates.

Physiology

- Post Graduate Programs in Physiology whose quality adheres to the highest standards while conforming to the latest curriculum as prescribed by the concerned Regulatory Authority.
- A Research Lab equipped with advanced sophisticated instruments for the measurement of various physiological parameters, in order to facilitate short-term research projects and studies by faculty, MD postgraduates, research scholars and undergraduate students
- Department Library provides extensive literature in the form of Textbooks, Current journals and Review articles with online access to central library resources as required.
- Highly qualified and well-proficient faculty members with expertise in medical education as well as latest concepts in teaching skills.
- Centre for Yoga, established for research in the yogic sciences and for dissemination of the benefits of yoga with conduct of classes being part of the weekly schedule.
- Innovative pedagogical techniques including Problem based Learning, Case based learning as part of Basic Sciences correlation of Early Clinical Exposure, Correct the Doctor Sessions and Flipped classrooms.
- Adequate laboratory facilities for the undergraduate students to be well trained in the know – how of Haematology and Clinical Physiology.
- Both Formative and Summative Assessments in line with the present Competency Based Medical Curriculum, focussing on an integrated holistic understanding of Physiology.
- Online and classroom based electives that encourage the aptitude for Self Directed Learning by the students.
- Extensive utilization of the Learning Management System that has helped to substantially diminish rote-learning while simultaneously ensuring that more time is provided for the hands-on training of students in practical methodologies.

IV. Infrastructure

Self contained campus

- Serene Eco Friendly campus
- Wi-Fi enabled campus for better connectivity
- Safe and Secure campus with more than 600 CCTV
- Round the clock Security personnel
- Turnstile and Access Control for better surveillance
- Well connected Transport facility
- Multi-cuisine Food Court
- Full-fledged Bank & ATMs operational in campus
- Pollution free battery driven cars and bicycles with park & ride facility for in-campus transportation
- Acoustic Modeled Auditorium
- Well-stocked Utility Center
- Excellent Indoor and Outdoor Sports facility

Hostel life

Comfortable and secured well furnished hostel accommodation individually for boys and girls.

- Air-conditioned rooms
- TV & Wi-Fi
- Laundry service
- Saloon & spa
- Gym
- Indoor & outdoor sports

V. Value Added Training

Sl. No.	Department from CHRI	Special training	Purpose
1	Pathology	Rajiv Gandhi Govt. General Hospital, Chennai	Forensic Medicine - Autopsy Procedure
2	Radiology	Govt. Stanley Medical College, Chennai	Conventional Procedures & Interventional Medicine
		Madras Medical College	Nuclear Medicine
3	Psychiatry	Institute of Child Health, Chennai	Child Psychiatry
		Institute of Mental Health, Chennai	Forensic Psychiatry
4	Paediatrics	Institute of Child Health, Chennai	Paediatric Cardiology
			Paediatric Neurology
			Paediatric Gastroenterology
			Paediatric Nephrology
			Paediatric Haematooncology
			Paediatric Pulmonology
5	Respiratory Medicine	Govt. Hospital of Thoracic Medicine, Tambaram, Chennai	Peripheral Training
6	OBG	Adayar Cancer Institute	Radiotherapy and Gynec Oncology
7	Dermatology	Madras Medical College - Institute of Venereology	Peripheral Training
8	General Surgery	Chennai Urology and Robotics Institute	Urology - Robotic training
		Canray Health - Endoscopy Centre	Advanced Technologies used in Endoscopy
		GEM Hospital	Laparoscopy & Robotic training

VI. Course Duration (3 years), Annual intake, Tuition & Other fees

Sl. No.	Subject	Permitted	Recognized	Total intake of seats	Tuition Fee 2020-21 (per year)*	NRI Fee Entire Course Duration
1	M.D. Anatomy	1	1	2	Rs.2,00,000/-	-
2	M.D. Physiology	-	4	4	Rs.2,00,000/-	-
3	M.D. Biochemistry	-	2	2	Rs.2,00,000/-	-
4	M.D. Microbiology	-	3	3	Rs.2,00,000/-	-
5	M.D. Pharmacology	-	4	4	Rs.2,00,000/-	-
6	M.D. Pathology	2	1	3	Rs.12,50,000/-	-

8	M.D. Anesthesiology	9	4	13	Rs.30,00,000/-	-
9	M.D. Dermatology, Venerology and Leprosy	3	2	5	Rs.40,00,000/-	2,25,000 USD 3 seats **
10	M.D. General Medicine	9	5	14	Rs.35,00,000/-	2,25,000 USD 4 seats **
11	M.S. General Surgery	14	2	16	Rs.30,00,000/-	2,25,000 USD 3 seats **
12	M.S. Obstetrics & Gynaecology	8	1	9	Rs.40,00,000/-	2,25,000 USD 2 seats **
13	M.S. Ophthalmology	4	1	5	Rs.30,00,000/-	2,25,000 USD 1 seat **
14	M.S. Orthopedics	7	3	10	Rs.40,00,000/-	2,25,000 USD 1 seat **
15	M.S. Otorhinolaryngology	3	1	4	Rs.30,00,000/-	-
16	M.D. Paediatrics	7	2	9	Rs.30,00,000/-	2,25,000 USD 2 seats **
17	M.D. Psychiatry	1	2	3	Rs.25,00,000/-	-
18	M.D. Radio-diagnosis	2	4	6	Rs.40,00,000/-	2,25,000 USD 2 seats **
19	M.D. Respiratory Medicine	2	2	4	Rs.35,00,000/-	2,25,000 USD 1 seat **
20	M.D. Sports Medicine	2	-	2	Rs.25,00,000/-	-
Total		76	50	126		19 NRI seats

Note: Permitted seats are subject to recognition

* The above tuition fee is for the academic year 2020-21 only.

**Out of total Number of 126 seats, 19 (nineteen) seats are earmarked for NRI quota in the specialities indicated.

Fee structure for MD/MS courses under NRI/Foreign Nationals Category

Tuition fee	1 st Installment	2 nd Installment
2,25,000 US dollars (Tuition fee for entire 3 years)	1,68,750 US dollar To be paid at the time of admission - 2020	56,250 US dollar To be paid at the time of commencement of course - 2020

Other fees:

1	Caution deposit	Rs.25,000/-
2	University fees	Rs.10,000/-
3	Uniform (coat)	Rs.5,000/-
4	ID card	Rs.500/-
5	Group Insurance	Rs.500/-
Total		Rs.41,000/-

Annual Hostel Fees (Mess & Accommodation) varies from Rs.2,00,000/- to Rs.3,30,000/- depending upon the types of Accommodation to be availed.

VII. Stipend:

M.D. and M.S students are eligible for stipend on par with the stipend being paid to PG students of Government Medical colleges in Tamil Nadu from time to time.

VIII. Eligibility for admission to M.D./M.S. degree courses:

Candidates should have qualified in the National Eligibility-cum-Entrance Test NEET PG - 2020 conducted by the National Board of Examinations, New Delhi.

Candidates should have obtained the minimum percentile of marks in the qualifying examination as per Medical Council of India norms.

In order to be eligible for admission to Postgraduate Course for an academic year, it shall be necessary for a candidate to obtain minimum of marks at 50th percentile in the 'National Eligibility Cum-Entrance Test for Postgraduate courses' held for the said academic year. However, in respect of candidates belonging to Scheduled Class, Scheduled Tribes and Other Backward Classes the minimum marks shall be at 40th percentile. In respect of candidates with benchmark disabilities specified under the Rights of Person with Disabilities Act 2016, the minimum mark shall be at 45th percentile for General category and 40th percentile for SC/ST/OBC.

Cut-off scores for NEET PG 2020 as per NBE

General / EWS (50 th Percentile)	OBC / SC / ST (40 th Percentile)	General – PWD (45 th Percentile)
366	319	342

NEET is mandatory even for foreign nationals seeking admission in medical courses in India. For all other eligibility conditions, Medical Council of India website may be referred.

IX. Counselling:

As per the Notification issued by the Ministry of Health & Family Welfare, Government of India, there shall be a common counseling for all seats of NEET PG 2020 at National level to be conducted by the Directorate General of Health Services, New Delhi.

Candidates who intend to apply for admission to M.D./M.S. degree courses for the academic year 2020-21, in Chettinad Hospital and Research Institute are advised to register themselves through online web portal of Directorate General of Health Services, New Delhi i.e. **www.mcc.nic.in** (Medical Counseling Committee) for participating in common counselling and they are advised to periodically check the MCC website for updates viz., **Frequently Asked Questions (FAQ), Schedule/re-schedule** of counselling dates and its process etc.

X. Procedure of admission and details about payment of fees:

On obtaining the online allotment order from the Directorate General of Health Services, New Delhi the allotted student shall report to the University office, Chettinad Academy of Research and Education and fill the application cum reporting form along with the allotment order within the due date as indicated in the allotment order and pay the entire tuition fee and other applicable fee etc., for the academic year 2020-21. Otherwise he/she shall forfeit his/her offer of admission to the course in the Institution without any notice and will have no right to claim the seat, in future.

Candidates provisionally allotted for admission will have to submit all required original certificates with the Institution. Therefore, candidates are advised to keep with them sufficient number of photocopies of their certificates.

XI. Mode of Payment:

The payment towards tuition and other fee shall be made in the form of demand draft drawn in favour of “**Chettinad Hospital & Research Institute**” payable at Chennai or Electronic Fund Transfer through RTGS / internet banking. Part payment of tuition fee and other fee is not acceptable.

For payment of fees through online :

Account Name : CHETTINAD HOSPITAL AND RESEARCH INSTITUTE
Account No. : 912010017697030
Bank Name : Axis Bank Ltd
Branch : Chettinad Health City Branch, Kelambakkam
IFSC code : UTIB0002784

For NRI payments:

Account Name : CHETTINADHOSPITALANDRESEARCHINSTITUTE-
U/O CHETTINADACADEMYOFRESEARCHANDEDUCATION
Account Number : 915020040848124
Account Type : Current Account - EEFC USD
Bank Name : Axis Bank Ltd
Branch Name : Chettinad Health City Branch (Branch Code : 2784)
SWIFT Code : AXISINBBA75

Students are required to provide the following details to confirm the receipt of fees:

1. Name of the Student :
2. Course :
3. Amount Remitted & Date :
4. Name of the Bank & Branch :
5. UTR No :
6. Name of the Remitter :
7. Account No :

No extension of time for payment of fees or for submission of original certificates for verification will be entertained under any circumstance.

Candidates provisionally selected for admission will have to undergo a medical examination at Chettinad Hospital & Research Institute and only those who are found medically fit will be allowed to join the course.

XII. Refund Policy:

Time of Withdrawal	Fee Refund Amount
After 1 st round of Counseling	Joined candidates opted for upgradation and allotted a seat in Round 2 and willing to join, tuition fee will be refunded after deducting a sum of Rs.10,000/-
Refund time period	10 clear working days
Upgraded / Fresh Round 2 allottee, joined in 2 nd round of Counseling. Joined in Mop-up / Stray Vacancy round Counseling	No tuition fee refund in case candidates resign after joined in 2 nd / Mop-up / Stray Vacancy round.
Anytime after last cut-off date	Fee payable for the entire duration of the course.*

*The amount of fee to be deducted in case candidate resigns after counselling period / cutoff date:

Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted to, for any reason, either on or after the cut-off date prescribed by the statutory and/or University authorities for admission to the first year of the course or where the seat is rendered vacant without having any chance of being filled up with any other candidate such students will have to remit the tuition fee and other applicable fees for the 'entire/ remaining course period'.

XIII. General Information:

Admissions are subject to fulfillment of all the eligibility conditions prescribed by the University and statutory authorities (Medical Council of India). If it is found at a later stage, that the candidates have submitted false information / forged certificates, his/her admission will be cancelled without any notice and the same shall be final and binding.

Appearance in NEET-PG 2020 does not confer any automatic rights to secure a M.D./M.S. admission. The selection and admission to M.D./M.S. seats in this university is subject to fulfilling the eligibility, medical fitness and such other criteria as may be prescribed by the Directorate General of Health Services, New Delhi, Medical Council of India and this university.

Admitted students are bound by the Rules and Regulations of this University framed from time to time in the matter of syllabus, examinations, fee structure, discipline and policy for refund of fee etc.

The University reserves the right to change any of the conditions enumerated periodically or for the purpose of complying with any of the regulations of the statutory councils.

Tuition fee and other dues payable in the subsequent academic years shall be paid by the students within the due date fixed by the Institution failing which the name of the defaulting students shall be removed from the rolls of the college after the expiry of due date.

Students himself / herself must be present at the time of reporting. No proxy will be allowed in any circumstances.

All disputes arising in the interpretation and implementation of the provisions in this information bulletin will be referred to the Vice Chancellor, Chettinad Academy of Research and Education and the decision of the Vice Chancellor shall be final and binding.

In respect of matters relating to or arising out of this information bulletin, the jurisdiction shall be at Chennai alone.

Tamil Nadu Medical Council directives (as per letter dated 19.12.2019)

Candidates from other states who are pursuing post graduate courses in Tamilnadu and Pondicherry have to register themselves in the Tamil Nadu Medical Council within 3 months of admission.

Penalty clause: To impose a penalty that Rs.5,000/- (Rupees Five thousand only) would be levied as fine to the candidates of other states who study PG courses in Tamilnadu and Pondicherry if not registered within the prescribed time (3 months).

The penalty for such candidates for registering at the end of the course would be Rs.10,000/- (Rupees Ten thousand only).

XIV. Ragging in any form is prohibited in the University Campus:

The University follows a Zero Tolerance Policy towards Ragging. Ragging in any form is a crime and a punishable offence. As per the directions of the Hon'ble Supreme Court of India, University Grants Commission has framed "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" and the Medical Council of India has framed "(Prevention and Prohibition of Ragging in Medical Colleges/Institutions) Regulations, 2009" and notified in the Govt. of India Gazette in order to prohibit, prevent and eliminate the scourge of ragging. These regulations are mandatory and provide for punishment of those who abet and indulge in ragging, directly or indirectly.

XV. Checklist of documents in original to be submitted along with 3 sets of self attested photocopies at the time of counseling / admission in this Institution:

- (i) Admit card of NEET-PG 2020 Exam (Hall Ticket) issued by National Board of Examinations (NBE) with photo affixed.
- (ii) NEET-PG 2020 Score card issued by NBE.
- (iii) Copy of valid Aadhaar card/ PAN Card/ Driving License/ Voter ID/ Passport.
- (iv) Provisional allotment letter generated from Medical Counseling Committee (MCC) website.
- (v) Mark sheet of 10th & HSC Examination.
- (vi) MBBS Degree Certificate from the concerned University / Provisional Pass Certificate I and II.
- (vii) Mark sheets of the University Examination for the whole of the M.B.B.S. course (First year to Final year).
- (viii) Attempt Certificate (First year to Final year) wherever applicable.
- (ix) Internship Certificate (C.R.R.I.) Completed on or before 31.03.2020.
- (x) Permanent Registration Certificate issued by Medical Council of India or State Medical Council
- (xi) Transfer Certificate from the Institution last studied
- (xii) Conduct Certificate from the Institution last studied

(xiii) Migration Certificate (if applicable)

(xiv) Community Certificate:

SC/ST/OBC Candidates must bring the Certificate issued by the competent authority in the format as specified in the NBE information bulletin. Sub caste should be clearly mentioned in the certificate and tally with the central list in case of OBC.

The OBC candidates should not belong to creamy layer. Must produce Non Creamy Layer Certificate for OBC with validity period.
