	<p>Prof. Dr. Malathi V. Ph.D., in Nursing 2009 - 2016 Professor & Programme Co-ordinator, M.Sc Nursing-Cardio Vascular & Thoracic Nursing, Department - CHRI. I feel happy for being awarded the doctorate degree by CARE. Thank you very much.</p>
	<p>Ms. Anbu K. P.B.B.Sc., in Nursing 2009 - 2012 It's my privilege to work as a tutor in my alma mater.</p>
	<p>Ms. Clara P.B.B.Sc., in Nursing 2009 - 2012 I am thankful for my struggle because without it I would not have stumbled across my strength. Chettinad college of nursing helped me to change myself as a good independent leader.</p>

Parent Hospital staff

College life is the part of our life that we are not going to relieve our memories till we breath our last. We are very happy we got a chance to work in our parent hospital.

Ms. Dhatchayani

P.B.B.Sc., in Nursing 2014 - 2016

I am working at BRS hospital, Chennai. I am grateful to what I am. It's the effort of the college that i am in a good work today.

Mr. Simon Jeba Kumar S S

B.Sc .,in Nursing 2012-16

Neuro monitoring Technologist

Quantum Neuro monitoring India.

I am grateful for the career, the Chettinad College of Nursing has given me. Just a word of thanks will not be sufficient for my college and to my teachers with all gratefulness I bow my head down whole heartedly to the pillars of the college, our lovable faculty for their support and guidance.

Ms. S. Charumathi

B.Sc., in Nursing 2011 - 2014

Currently working at government Vellore medical college hospital, Vellore. I am very proud to say that I am the alumni from Chettinad College of Nursing. The college has helped me to achieve my aim.

Mr. Nidhin

B.Sc., in Nursing 2011 - 2014

Currently working as an operation theater nurse at KIMS hospital, Kerala.

Chettinad College of Nursing molded me as a perfect compete professional. I bow my head down whole heartedly to entire teaching gurus for their splendid support and guidance.

Ms. Christina Nesamani

P.B.B.Sc., in Nursing 2014 - 2016

Currently working at the National Hospital, Chennai. Chettinad College of Nursing is the best.

Mr. Vinoth

B.Sc., in Nursing 2012 - 2015

Currently working in the liver transplant unit at Gleneagles Global Health City.

Chettinad College of Nursing is encouraging us to be more independent and renders freedom to think and act on our own. Let it be academic, sports, art or any other thing. Best thing I felt about Chettinad College of Nursing is the facilities which helped us to enrich our careers.

Ms. Saradhambal

B.Sc., in Nursing 2012 - 2016

Currently working at MMM Hospital, Chennai.

Chettinad College of Nursing has helped me to achieve my long cherished goal.

Ms. G. Umamaheshwari

M.Sc., in Nursing 2010 - 2012

I am currently working at Mahatma College and Research Institute as an Infection Control Nurse. I am grateful to the Chettinad College of Nursing as what I am today is because of the mentorship and training of the faculty of the Chettinad College of Nursing.

Ms. Biji K Joseph
B.Sc ., in Nursing 2008 – 2012
Working in Aseer Central Hospital, Abha, Ministry of Health, Kingdom of Saudi Arabia.
I had great experience at Chettinad College of Nursing. What really enhanced my experience was the caliber of my Professor at CCN. My Professors have extensive experience in Nursing. Having the real life anecdotes helped the material more sense to me and made me more confident while handling patients. My college had facilities like a very good library where I could enhance my knowledge. The hostel life was very excellent which made me to have a home atmosphere. I enjoyed my studies there and I am proud to be an alumna of this college.

Ms. Tintu Abraham
B.Sc., in Nursing 2008 – 2012
Working in South Qunfudah General Hospital, Ministry of Health, Kingdom of Saudi Arabia

Mr. Daniel Amal Raj
M.Sc., in Nursing 2009-2011
Pain management Nurse Manager,
Transplant Nurse Co-ordinator (Heart & Lung)
Global Hospitals, Chennai-600100
M.Sc Nursing programme at CHRI helped me to crave more specific role adaptation in handling cardiothoracic patients and proud to say that my career was shaped by procuring this more advanced and specialized dual course from this institution

Mrs. Ranganayaki.S
M.Sc., in Nursing 2010-2012
Nurse Clinical Co-ordinator
Sankara Nethralaya Medical Research Foundation, Chennai.
M.Sc programme at CHRI laid a solid foundation with "state-of-the-art" nursing skills, scientific knowledge, and an emphasis on integrity and compassion. These core competence have served me to embark milestones well from registered nurse to Nurse Clinical Co-ordinator within a short span of my completion of the programme.

Mr. Jibin Chacko,
M.Sc., in Nursing 2010-2012
Nurse Educator, Citizens Hospital
Nallugandlu, Hyderabad
M.sc nursing programme at CHRI has motivated and build up my clinical skills as well as teaching skills that shape my career as best clinical nurse and nursing educator

Ms. Angelin Esti
M.Sc., in Nursing 2011-2013,
Tutor, Chettinad College of Nursing, Chennai.
Study at CARE constantly motivated and inspired me to go beyond the curriculum which is the key to my success & helped to develop critical thinking and analytical abilities which lead to a first author publication of my M. Sc. Dissertation

Mr. Achu Ravinath
M.Sc., in Nursing 2011-13
Staff Nurse, Belhoul Speciality Hospital,
Dubai, UAE.
The M. Sc., Cardio Vascular and Thoracic Nursing course and dissertation at CHRI has helped me to develop in-depth knowledge and skill in my specialization and facilitated to publish my research work in international peer review indexed journal and helped me to achieve my enshrine goal.

Mr. Robin George

M.Sc., in Nursing 2012-14

Staff Nurse, AIIMS, New Delhi.

The M. Sc. Cardio Vascular and Thoracic Nursing course and dissertation at CHRI has guided me with the good clinical experience and research activity which helped me to build in-depth knowledge skill and practice in various cardiac surgeries and procedures and motivated to achieve my goal.
